

Single Color Die-Cut Price Estimation Sheet

*actual prices must be quoted for each design this is only a guideline.

1. Intricacy:

-Intricacy is determined design by design. All holes or gaps in designs, such as a middle of an "0" adds to the designs intricacy.

MEDIAKYDS

level 1 straight forward and simple lines
few or no gaps.

MEDIAKYDS

level 3 several gaps (such as the D,A, and D)
and sharp edges.

Mediakyds

level 5 small and intricate lines with
many gaps.

2. Size:

-Size is a factor of square inches and of wasted material. The final size must also be determined on an individual basis.

3. Quantity:

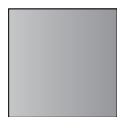

-Discounts are provided for larger orders.
